START THE NEW YEAR RIGHT!

1910! The New Year suggests Resolutions—"the turning over of a new leaf." It's a good time to put your business on better, broader and more systematic basis.

You have been neglecting one of the essentials of your life's happiness and success in putting off the time to start a bank account.

But now—right NOW—is the time to act upon the resolution. One dollar or more invested in starting a bank account is an ideal method of beginning the NEW YEAR properly.

Some people have an idea that in order to have a bank account they must have a large sum to deposit; that the bank does not care to be bothered with small accounts.

This, however, is not true with the CAPE COUNTY SAVINGS BANK. This bank welcomes new accounts of \$1.00 or \$1.000 or more, and the same courtesy and service is accorded to the small depositor as to those of more fortunate circumstances.

It is our object and wish to serve the public in financial matters in a manner that shall be satisfactory to all—young or old, rich or poor.

It is an asset of no little value for a bank patron to be able to refer to "My Bank" when desiring to establish credit or character. In this sense, why not let this bank be "Your Bank"?

Please consider this a personal invitation to make this your banking home in 1910 and thereafter.

Nice check books and pass books furnished free of charge.

Fruitland.

Christmas has come and gone, and, as a rule, in a quiet way. Some of the boys were a little tipsy before Christmas, but it was generally quiet.

Rev. Margrave of Oriole preached here Sunday morning from Luke, second chapter: "Unto you is born this day in the City of David a Saviour which is Christ the Lord." Quite a large crowd attended, and all were pleased with the fine sermon.

While returning from Jackson one day last week, Jacob Doyle lost a barrel of oil out of his wagon. He says he guesses people will think he was drunk, but he was not—he was just trying to beat Houck's train to Fruitland.

One day during Christmas Mr. Farrar took home with him a sack of straw from the mill, thinking it was bran.

William Wessell and Oliver Alexander spent Christmas in Jackson.

A happy New Year to all, and a fat portion for the editor.
